ELEVATE MEETINGS AT SOMA'S NEWEST EVENT SPACE!

- Flexible scheduling options
- Steps from Moscone Center
- Rooftop accommodates up to 400 guests, Lounge up to 97 guests
- Lounge offers fully equipped commissary kitchen, coffee bar, and state-of-the-art AV capabilities
- The Rooftop boasts sweeping city and bay views, built-in Bluetooth speakers, and luxe patio furnishings with heaters

LOUNGE

The Lounge at 680 is equipped with built-in and wireless microphones, as well as cameras to support seamless hybrid meetings. We have two UltraHD screens and wired audio/video connectivity for reliable presentations. Additionally, we offer high-speed wireless internet throughout the venue to ensure a smooth and connected experience for your event. This AV is inclusive of the room rental as well as access to our espresso machine onsite.

ROOFTOP

Our newly renovated rooftop offers an unforgettable setting with unbeatable views of the San Francisco Bay and the downtown skyline, creating a stunning backdrop your guests will be talking about long after the event ends. With a maximum capacity of 400, the space is thoughtfully equipped with built-in overhead speakers, heaters, and inviting firepits, ensuring a seamless and elevated reception experience in every season.
